

On August 24th, 2024, Delegates from all over Michigan descended on the Dort Financial Center in Flint, MI to coordinate and decide which candidates from all over would be those whom we would agree upon to run for various state offices.

These include candidates for the Michigan Supreme Court, The State Board of Education, and Governors, Regents, and Trustees of State Universities.

These decisions could not have happened without the dedication of delegates like those representing Barry County, and we pause to thank them for their service!

Please consult this list, print it off, and be ready to elect a full slate of dedicated conservative officers to help Make Michigan Great!
