

NOW, THEREFORE, BE IT RESOLVED, that the Barry County Republican Party hereby:

1. Expresses its unwavering support for President Donald J. Trump, Elon Musk, and the Department of Government Efficiency in their mission to restore fiscal sanity, eliminate government waste, and protect the hard-earned dollars of American taxpayers;
2. Condemns the unethical and corrupt spending practices of previous administrations, which burdened future generations with debt and neglected the needs of rural communities like Barry County;
3. Repudiates any lawsuit supported by Michigan Attorney General Dana Nessel that falsely claims to represent "the people of Michigan," recognizing that her actions contradict the democratic will of our state's voters, who overwhelmingly endorsed President Trump's agenda;
4. Affirms Barry County's leadership in championing transparency, accountability, and local control, calling on other counties and municipalities to join us in resisting overreach by state officials who defy the public's mandate;
5. Urges the Michigan congressional delegation, including our Republican representatives, to stand firm against efforts to undermine DOGE and the Trump administration's reforms, ensuring that federal policies reflect the priorities of Michigan's heartland;
6. Commits to educating and mobilizing the citizens of Barry County to defend these principles, ensuring that our voices are heard in Lansing and Washington, D.C., as we lead by example in the fight for responsible governance.

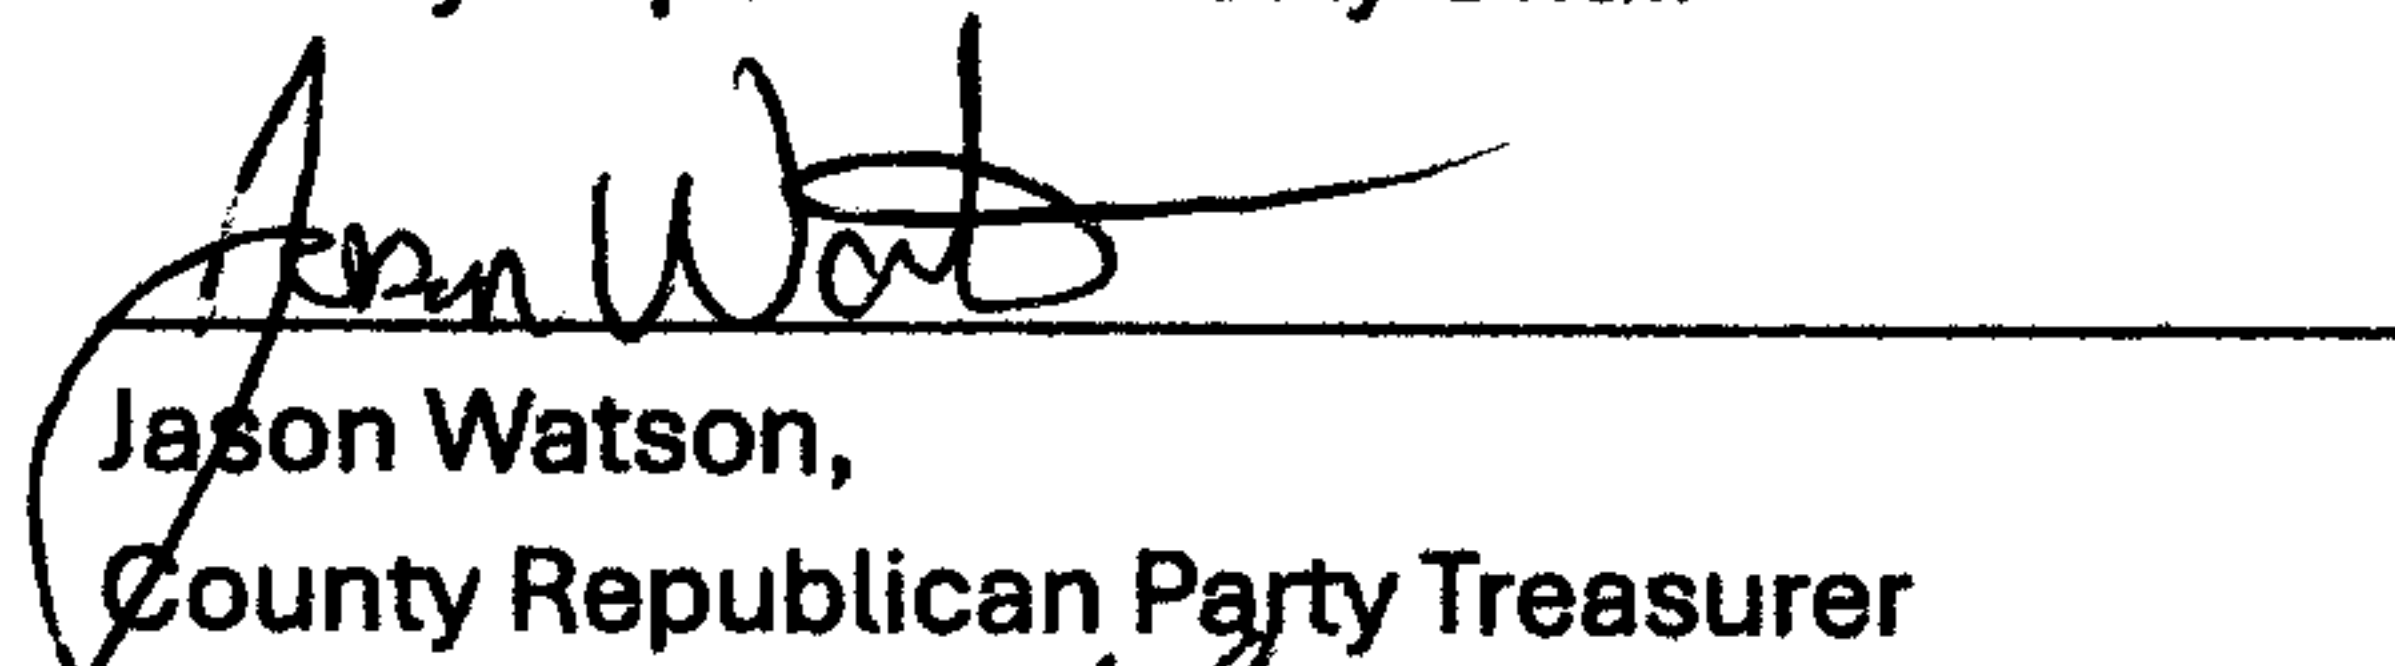

BE IT FURTHER RESOLVED, that copies of this resolution be transmitted to President Donald J. Trump, Elon Musk, the leadership of DOGE, the Michigan Republican congressional delegation, and the Michigan Republican Party, as a testament to Barry County's resolve to lead from the front in this critical moment for our nation.
