

Barry County Republican Party
Resolution Denouncing Michigan Attorney General Involvement in
Undermining President Trump's Administration Reforms

April 24, 2025

WHEREAS, the Barry County Republican Party stands resolute in its commitment to fiscal responsibility, limited government, and the will of the people as expressed through free and fair elections; and

WHEREAS, President Donald J. Trump, in his second term commencing January 20, 2025, alongside Elon Musk and the Department of Government Efficiency (DOGE), has undertaken bold and necessary actions to streamline federal operations, eliminate waste, and ensure the appropriate handling of taxpayer dollars, reflecting the mandate of the American people; and

WHEREAS, previous administrations, marked by unchecked bureaucratic expansion and partisan agendas, engaged in unethical and corrupt spending practices—squandering billions on frivolous programs, foreign entanglements, and ideological experiments—demonstrating a callous disregard for the hardworking taxpayers of Barry County and the nation; and

WHEREAS, Michigan Attorney General Dana Nessel has joined frivolous lawsuits, including those against the Trump administration's lawful policies, falsely claiming to represent "the people of Michigan" under signatures or rhetoric such as "We the people of Michigan," despite the clear electoral support of Michigan voters for President Trump and his agenda in the 2024 election, as evidenced by his victory in the state; and

WHEREAS, Barry County, a stronghold of conservative values and common-sense governance, rejects the notion that Nessel's actions reflect the will of our citizens, who demand accountability, not obstruction, from their elected officials; and

WHEREAS, the efforts of DOGE to dismantle inefficient agencies, reduce federal overreach, and return power to the states align with the principles of self-governance and economic liberty cherished by the people of Barry County; and

WHEREAS, Barry County takes pride in leading from the front, setting an example for other communities in Michigan and beyond by boldly defending the interests of its taxpayers and supporting leaders who prioritize America First policies;
